PASTOR'S RECORD

Containing a list of baptisms, admissions to and dismissals from the churches of Greensburg and Mt. Pleasant, as well as marriages, etc., commencing from the installation of James I. Brownson as the Pastor.

Greensburg - Dec. 1st, 1841

The contents of this book I wish to preface with the following statement:

I was licensed to preach the gospel by the Presbytery of Carlisle in October, 1840, in Greencastle, Pa., after having completed my collegiate studies at Washington College, Pa., and my theological studies at the West. Th. Seminary in Allegheny City. The following winter I spent principally at my mother's in Mercersburg, preaching occasionally for the neighboring Pastors. About the last of February or first of March I set off for the west in quest of a Pastoral charge. The first places at which I stopped were Greensburg and Mt. Pleasant where I am now located. Both of these churches have been rent asunder by the conflict of New Schoolism and in each the Orthodox party were greatly in the minority. This fact was very discouraging to me at the time and was well nigh determining me not to stay with this people. The unanimous and urgent request of the people, however, seconded by the entreaties of some of the ministers in the neighborhood who thought it a time of life or death with these feeble churches prevailed on me to settle for six months as a Stated Supply with the view of learning what the mind of the Lord was respecting me.

The experiment succeeded far beyond my expectations for before my six months were ended, three elders who in the division of the churches had gone with the new school, returned to the old. And the increase was so great in

both places as to warrant the hope that these churches might yet be built up. Accordingly when the term for which I had agreed had expired, I could not see my way clear to refuse the unanimous call which was presented to the Presbytery for my labors as Pastor, and having in the meantime procured a dismission from my mother Presbytery, I placed myself under the care of the Presbytery of Redstone and agreed in humble reliance on the great Head of the Church for strength to fulfill my duties, to cast in my lot with these churches and consecrate my feeble instrumentality in the effort to build them up. This was at the meeting of the Presbytery in October, '41.

The fourth Wednesday of November following was fixed upon for the meeting of the Presbytery at Mt. Pleasant for the purpose of examining and if the way be clear, ordaining and installing me. There being no barrier in the way I was solemnly set apart on the following day (Thursday) to the work of the Gospel Ministry, and regularly constituted the Pastor of the Mt. Pleasant church. The Rev. J. Stoneroad, of Uniontown, preached the sermon, the Rev. N. H. Gillet, of Rostraver, delivered the charge to the Pastor and the Rev. S. Wilson of Dunlaps Creek, delivered the charge to the people. The ordaining prayer was offered by the Rev. J. B. McKee, of West Newton. The exercises throughout were to me, and I believe also to the people, very solemn and impressive.

On the succeeding day (Friday) I was installed as Pastor

over the church of Greensburg. The Rev. S. Wilson preached the sermon, the Rev. N. H. Gillet delivered the charge to the people and the Rev. A. McCandless delivered the charge to the Pastor. Here also as at Mt. Pleasant the occasion was one of deep and solemn interest, and it is hoped will be long remembered for good.

Thus have I been regularly inducted into the sacred office and invested with the spiritual oversight of souls. O, what responsibilities crowd upon my mind at the contemplation of it! Well may I say - "Who is sufficient for these things?" May my Master give me grace to hear and rest upon His sure word of promise - "My grace shall be sufficient for thee and my strength shall be made perfect in thy weakness." My humble hope is that I have devoted myself in heart and life to the service of Christ. May God grant that I may be faithful to the solemn work of the ministry and have many souls at last as my hire.
